

**Working for you at Council Level**

- Representing your views on the issues that concern you.
- Securing funding within the Budget to prioritise services and investment for our residential areas including but not limited to footpath and road maintenance and upgrade within the Program of Works.
- Securing Family Focussed Events such as the Festival of Fire and the Winter Lights @ Shackleton.
- Securing investment in our clubs and organisations to ensure adequate facilities are available to all.
- Leading the process of ensuring the highest standards of supervision and accountability within all spheres of animal welfare.

**Community**

- Worked tirelessly to secure statutory funding for non-Fingal County Council-operated Community Centres.
- Continue to work tirelessly as a Member of the Board of Management of Hartstown and Castaheany Community Centre.
- Actively supporting many voluntary groups and organisations such as the Women’s Shed Clonee and the Over 55s Group in Hartstown.
- A member of the Joint Policing Committee pursuing the implementation of effective strategies to address matters of an anti-social aspect and enhancing community safety.
- A Member of the Inter Local Authority Special Committee on Fire & Ambulance Services and Emergency Management ensuring appropriate oversight and support in the provision of our Rescue Service.
- A long-standing supporter and advocate on behalf of the members of our Defence Forces through membership of WPDF (Wives & Partners of the Defence Forces).
- Advocating for resources for local schools and I have vociferously and consistently lobbied for increased places in our schools with specific emphasis on the provision of appropriate school places and support for the children of our community within additional need or specific learning difficulty.
- A member of several environmental and community support groups such as Tidy Towns, Royal Canal Cleanup and several Residents Associations.

**Transport and Travel**

- Greater access to a sustainable, customer-led, and customer-focused public transport system. I have a successful track record in calling for upgraded and expanded services, and I am committed to ensuring that the residents of Dublin 15 have access to a reliable and efficient mode of transportation.
- Completion of the Royal Canal Greenway in an appropriate timeframe.
- Delivery of a Safe Route to School program for several schools within D15.

**Environment**

- Secured increased biodiversity and pollinator planting improvements on numerous roundabouts throughout the Area.
- Successfully lobbied for a formidable planting plan for new trees throughout the area in multiple locations.
- Lobbied for increased boundary protection along the Royal Canal.
- Secured the rollout in Dublin 15 of the Solar Compactor Bin Units.

# LOOKING FORWARD

I'm writing to ask for your **Number 1 Vote** in the General Election. I have been an Independent Councillor in the Dngar Ward of Fingal County Council for the past 9 years having been successfully returned in 2019 and 2024. I am the only Independent elected to office for Dublin West in over 20 years.

My strong belief is that Dublin West can benefit by returning an Independent TD. An Independent Deputy is not bound by party policy. We make our decisions based on what is best for our community having listened to the wishes of that community.

Over the years I have worked extremely hard and helped many people with various issues and I believe that I have proven that I have the experience necessary to continue this work within our national legislature. I have always directed my time and attention to matters that are important to the community I represent.

Like all of us seeking election I am concerned about the crisis we face in housing, the declining state of our health service, the ever-increasing cost of living, and the challenges that face us all in tackling climate control. By building strong relationships and proactively involving the community in the decision-making process, I can ensure that your voice is not only heard but also reflected in the policies and initiatives I champion. Together, we can continue to create a community where everyone feels valued, empowered and included.

My record on delivery is strong and clear, for all to see. From the provision of outdoor play equipment for children with additional needs to the protection of our environment with the enhancement of biodiversity and pollination within greenspaces. However, Dublin West needs Elected Representatives who will work on their behalf, on multiple levels when required, with Government Departments and organisations such as National Transport Authority, Waterways Ireland, and Irish Rail to achieve positive outcomes. On all fronts, I have worked tirelessly and will continue to do so on your behalf.

When casting your vote ask yourself what has the candidate achieved for our community. Two words "experience and expertise" and I have the experience, and I demonstrated the expertise. Together we have achieved significant change, positive change. A lot done but a lot more to be done. To ensure that I can continue to work with you. I am asking for your Number 1 Vote, allowing me to continue to represent this area as an Independent TD working on issues that matter to the people on a national level.

I am as committed today as I always have been, working with you to build a stronger, more vibrant community where everyone has the opportunity to thrive. I do hope to meet you in the course of my campaign but if in the meantime I can be of any assistance please do not hesitate to contact me directly at your convenience.

Tania

INDEPENDENT

Continue to work together to build the community we want

- Address housing challenges and continue to advocate for properly affordable housing options.
- Advance growth and development of our heritage as public amenities.
- Continue to listen and work alongside the mature in years members of our community, ensuring their voices are heard and their needs addressed.
- Completion of the Royal Canal Greenway.
- Ensure continuous engagement with carers and members of our community with limited or reduced mobility or impairment, advocating for policies that promote equality, accessibility and opportunity. Working alongside local parents from D15 on the "Help our Children" Campaign.
- Greater access to a sustainable, customer-led, and customer-focused public transport system. I am committed to ensuring that the residents of Dublin 15 have access to a reliable and efficient mode of transportation.
- Greater oversight of and accountability for the "public purse". The Children's Hospital debacle along with the cost of an irrelevant referendum are but 2 recent instances of the squandering of the public finances.
- Improve access to healthcare and support local mental health initiatives such as JigsawD15 and CAHMS.
- Lobbying to counteract the systemic failure of children with additional need and medical priority by our State.
- Opening of fully inclusive Playspaces within Dublin West.
- Provision of additional Garda Station and requisite resources for Dublin West.
- Provision of a robust State-Funded Childcare Model for Dublin West.
- Provide for more focus on biodiversity and pollination.
- Redesign our approach within development to the retention, integration and management of our environment throughout Dublin West.
- Removal of the USC (Universal Social Charge) which was promised by other parties but never carried out. This "Temporary Tax" has now become a permanent fixture.
- Support Youth Initiatives and work to foster further youth engagement.
- Supporting Small & Medium Enterprises throughout our community.
